

THE INTERNATIONAL CONFERENCE ON PLASMA SCIENCE

Lake Tahoe · Nevada · USA | June 22 – 26, 2026

53RD IEEE INTERNATIONAL CONFERENCE ON PLASMA SCIENCE (ICOPS)

TOPICS

- Basic Processes in Fully and Partially Ionized Plasmas
- Microwave Generation and Plasma Interactions
- Charged Particle Beams and Sources
- High Energy Density Plasmas and Applications
- Industrial, Commercial and Medical Plasma Applications
- Plasma Diagnostics
- Pulsed Power and Other Plasma Applications

General Chair:

Michael Murillo, *Michigan State University*

Technical Program Chair:

Lorin Matthews, *Baylor University*

Finance Chair:

Peng Zhang, *University of Michigan*
